Experience:

Technology Assistant

Dist. #61, Eisenhower J.H., Darien IL

January 2021- Present

- Assisted faculty, students, and parents with technical problems on Google Classroom applications, MacBook and Chromebook operation and maintenance, Internet connectivity, network printing and printer maintenance, A/V displays, and certain education software.
- Tracked staff and student devices using the inventory management system Snipe, and Excel spreadsheets, documenting ownership and maintenance records.
- Assembled two Ender 3 v2 3D printers for the STEAM club, and created an instructional presentation on object selection, build settings, and printer troubleshooting.

Project Assistant

Scandaglia Ryan LLP, Chicago IL

July 2019- June 2020

- Supported professional faculty while held to a high expectation of quality and eagerness, as well as strict deadlines.
- Scope of support included MS Office applications, Internet connectivity, network printing and printer maintenance, A/V displays, and certain legal software.
- Organized and maintained documentation and office records

Dock Team Leader

Norman Distribution, Elk Grove Village IL

Aug. 2018- July 2019

- Fostered collaboration in a diverse team, including non-English speakers and trained new hires.
- Responsibilities included producing orders, packing freight shipments, assisting delivery drivers, and warehouse maintenance.

Outlet Sale Associate

Wilton Brands, Naperville IL

July 2018- July 2019

- Fostered collaboration and communication with a diverse, non-English speaking team by organizing group lunches.
- Guided customers through the retail space, assisting them whenever needed, and asking constructive questions.

Merit Scholarship	August 2014 to May 2018
SLU Grant	August 2014 to May 2018

Volunteer Experience

Homeless Outreach Team Member

St. Joseph Labre Ministry, Saint Louis MO

January 2018- May 2018

- The Ministry routine was to cook a meal for the homeless together with the ministry members, then serve about a dozen homeless people in Saint Louis at about three locations. Ministry members would also engage in dialog with the homeless to listen and understand but also to direct them to nearby facilities.

Executive Board Member, Publicity Head

Anime Club of Saint Louis University

January 2016 - August 2017

- Responsible for posters, hand-outs, and student to club interface.
